# The Healy Medical Applications

**Notice:**

In Canada Healy is a medical device authorized for sale by Health Canada for the temporary relief of pain associated with sore and aching muscles in the shoulder, waist, back, neck, upper and lower extremities due to strain from exercise or normal household work activities and symptomatic relief and management of chronic, intractable pain and relief of pain associated with arthritis, neuralgia, myalgia and fibromyalgia. Healy also has non-medical applications that use Individualized Microcurrent Frequencies (IMF) that have not been reviewed or approved by Health Canada. The IMF programs of the Healy device are not intended to diagnose, treat, mitigate or prevent a disease, disorder or abnormal physical state (or any of their associated symptoms), nor do they restore, modify or correct the body's structure or functions. ## Manage Your Pain

- Healy uses microcurrents on different areas of your body to relieve and manage pain.
- It even relieves muscle strains and soreness from exercise or work around the house.

The Instructions for Use show you how to safely and easily use it for your sudden (acute) or everyday (chronic) aches and local pains. Microcurrent treatment has been used by physical therapists for decades to reduce pain and relieve muscle tension.

# Terms & Glossary

## What Does Bioenergetic Field (BEF) Mean?

The flow of live energy connecting body, mind, and soul, traditionally known as Chi (or Qi) and Prana.

In scientific terms: An information flow on the quantum level.

## What Does Individualized Microcurrent Frequencies (IMF) Mean?

Individualized Microcurrent Frequencies (IMF) are frequencies that are analyzed in real-time, modulated on microcurrent, and applied, for example, through adhesive electrodes.

## What Does Cell Membrane Potential Mean?

Every cell of the body has its own membrane potential. Resting membrane potential is the difference between the electric potential in the cell's intracellular and extracellular matrices.

# Cell Membrane Potential Model

According to Robert O. Becker and Björn Nordenström

**Prof. Robert O. Becker**

Orthopedic surgeon and expert in electrotherapy, author of the modern electromedical 'Bible', 'The Body Electric' (1985).

**Prof. Björn Nordenström**

Professor Emeritus of Radiology at the Karolinska Institute in Sweden, former Chairman of the Nobel Prize Committee for Medicine.

# The Cell

# Effects of Microcurrent

according to an animal study by Ngok Cheng et al.\*

## Increased amino acid transport

Amino acids are the building blocks for protein synthesis.

## Increased protein synthesis

Protein synthesis is the process by which proteins are formed to build cells. It means creating physical life, following the central blueprint stored as DNA in each of our cells.

## Increased ATP production

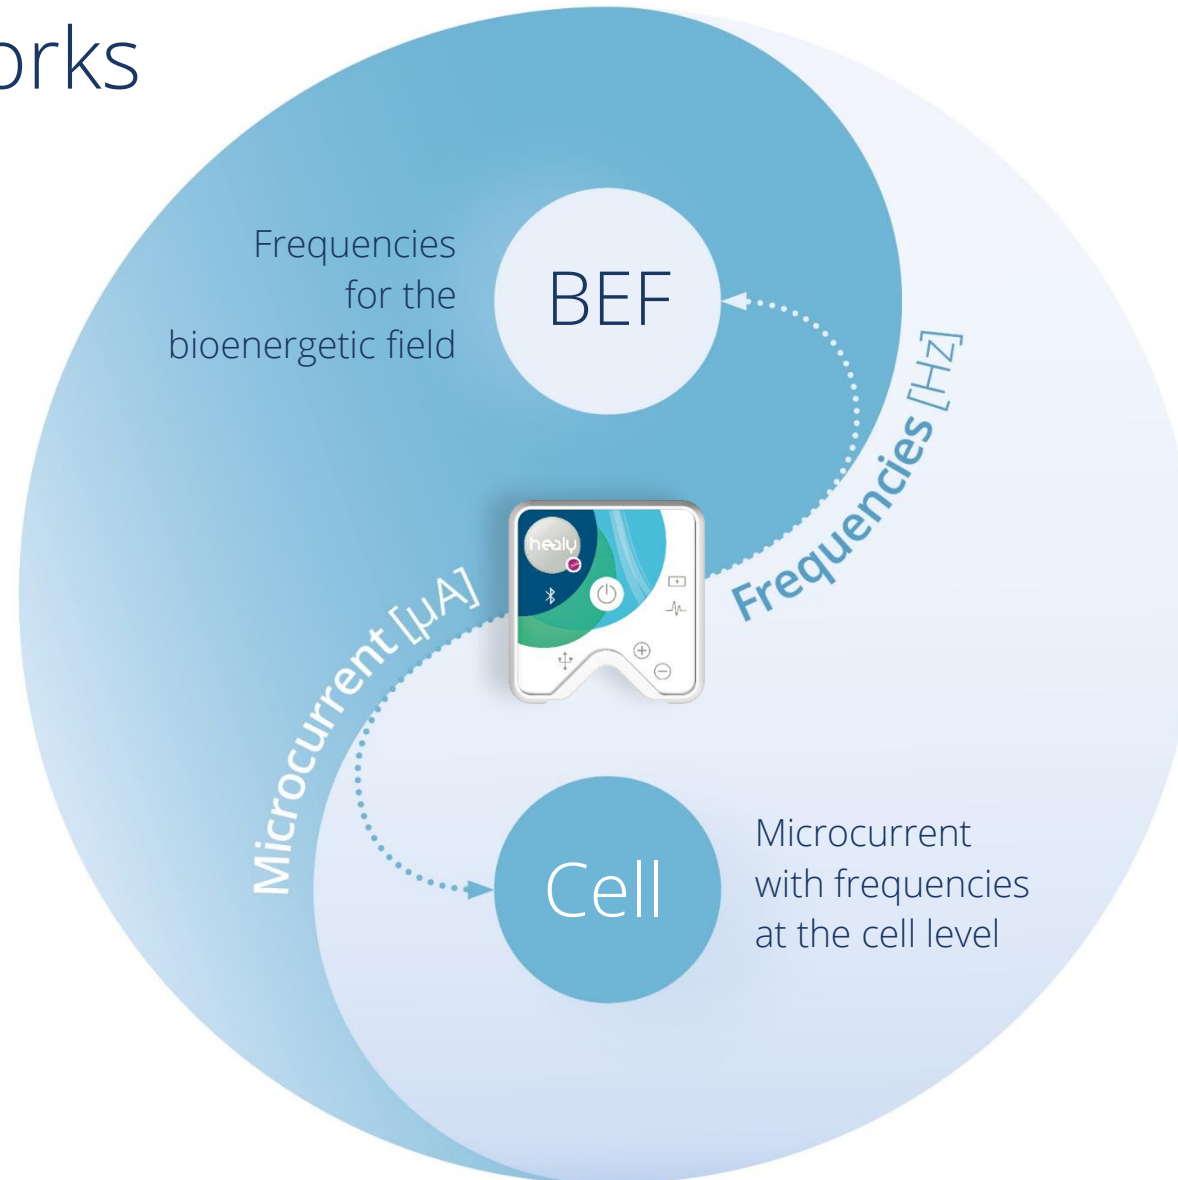

ATP (adenosine triphosphate) stores energy in the cells, similar to gasoline in a car's gas tank. ATP is produced in the cell by the mitochondria. The mitochondria are the ATP-producing "power plants" in each cell of the body.

\* Clinical Orthopaedics and related research No.171, November-December 1982. This animal study refers to the effects of microcurrent and the basic mechanisms on which Healy frequency programs are based. It did not include any Healy devices.

# How Healy Works

Bioenergetic field (BEF):  
The flow of life energy connecting body, mind and soul, traditionally known as Chi (or Qi) and Prana.

In scientific terms:  
An information flow on the quantum level.

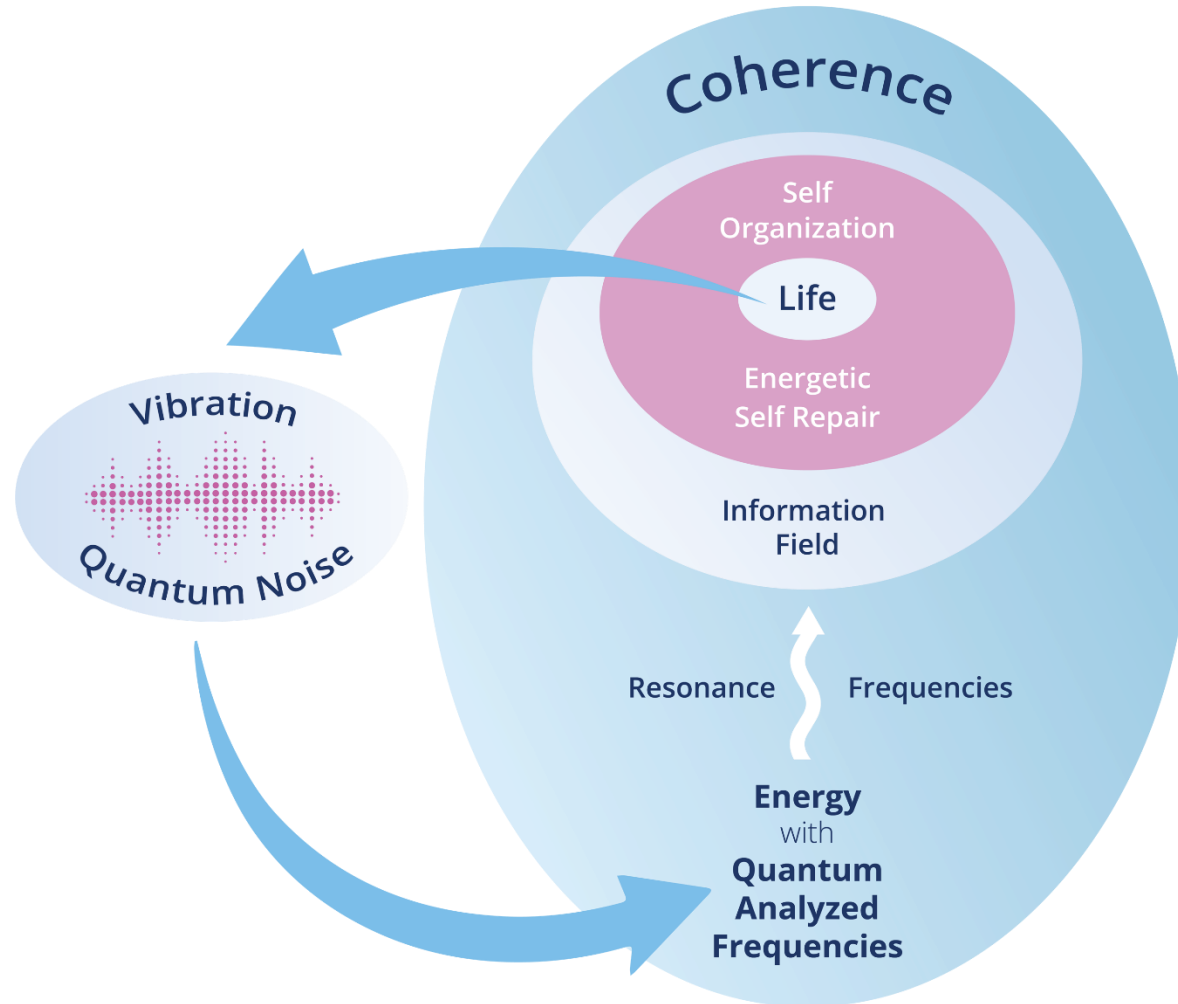

# Quantum Analyzed Frequencies

"If you want to find the secrets of the universe, think in terms of energy, frequency and vibration."

**Nikola Tesla**

"All matter consists of energy vibrating at different frequencies. Therefore, Healy technology is based on my belief that electromagnetic fields vibrating at Quantum Analyzed Frequencies can provide the body with the information and energy it needs to harmonize its own energetic self-organization and self-repair. These specific frequencies can take the Bioenergetic Field of the body to a state of higher order, manifesting itself in holistic health, wellbeing and vitality."

# MagHealy

Where the Power of the Magnetic Field  
and Holistic Wellbeing Meet

**Notice:**

"Quantum Analyzed Frequencies" ("QAF") is a proprietary technology of Healy World. It uses the data from a physical noise generator to assign a priority to frequencies that professional user experience indicates have the highest relevance for the user.

The duration, frequencies, intensity, frequency, naming, and the descriptions of the Quantum Analyzed Frequencies (QAF) programs are based on the practical experience experts and our understanding of the interaction of frequency modulated magnetic fields with the Bioenergetic Field. They have not been confirmed by independent studies.

The MagHealy Quantum Analyzed Frequencies (QAF) programs are designed to support wellbeing through harmonization of the Bioenergetic Field. We have conducted unblinded before/after surveys in controlled and randomized groups of participants. These surveys suggest that the participants' wellbeing was higher after the application. We attribute this to the harmonization of the Bioenergetic Field, which we refer to as the energy flow of life, traditionally also called chi (or qi) and prana. This has not been confirmed by independent studies.

The magnetic field programs of the MagHealy device are not medical applications. They are not intended to cure, treat, mitigate, diagnose, or prevent any disease or medical condition. The terms used in the programs do not constitute statements concerning their effects. The purpose of the programs is to provide the user with a tool to explore application options. MagHealy programs should not be treated as a substitute for professional medical advice, diagnosis or treatment. You should always seek such advice from a qualified medical professional. If you have or suspect you may have a medical condition, or if you are under the care of a healthcare practitioner, you should consult your practitioner before using MagHealy. Always use your MagHealy according to the Instructions for Use.
